Laguna Mountain

RENDEZVOUS

A big welcome to the Big Horn Mountain Men

October 10th - October 19th 2019

Step back in time and enjoy an authenitc 1805-1840's Rocky Mountain Fur Trader's encampment. Visit part of our historic past by attending a fun, educational and exciting mountain man rendezvous. Demonstrations of primitive survival skills such as cooking, tool making, tomahawk throwing, archery and black powder target shooting make this event an unforgettable experience for young and old alike.

Our group is based on the Mountain Man era of America by participating in pre-1840 living history. As a living history organization we are involved in teaching, learning, experiencing, living and enjoying the activities associated with the fur trade of the early 1800's.

Buy a medallion - earn a chance to win the bronze "Mountain Man Statue", reproduction of original, by Frederic Remington.
