City Hosts Virtual Community Conversation to Inform Residents about San Diego Community Power

La Mesa, CA – On Wednesday, April 27, 2022 at 6 p.m., the La Mesa Community Relations and Veterans Commission, along with the La Mesa Environmental Sustainability Commission, invites residents to participate in a virtual community conversation to inform residents about San Diego Community Power.

[San Diego Community Power](#) is a Community Choice Aggregation Program that partners with San Diego Gas & Electric to deliver and service power for the cities of San Diego, Chula Vista, Encinitas, La Mesa, Imperial Beach, the County of San Diego, and National City.

“San Diego Community Power helps us to reach the City’s Climate Action Plan goals,” said La Mesa Mayor Mark Arapostathis. **“It is important for residents to be able to have a choice in renewable energy sources.”**

About the Virtual Conversation:

When: Wednesday, April 27, 2022 | 6:00 p.m.
What: Virtual Community Conversation (no registration required)
Where: 1. Zoom (<https://us06web.zoom.us/j/87079769622>)
2. La Mesa Adult Enrichment Center (8450 La Mesa Blvd.)

Representatives from the City, San Diego Community Power and San Diego Gas & Electric will explain how the program works and answer questions to help you make an informed choice.

The City of La Mesa was named an Age-Friendly City in 2018, and through the Livable La Mesa project, has adopted an Age-Friendly Action Plan that influences the health and quality of life of all citizens. Goals of the Livable La Mesa project include providing increased community information, as well as opportunities for social and civic participation. The Community Conversation series presented by the Community Relations & Veterans Commission furthers these goals to help serve La Mesa residents.
