Contractor shall, in good and workmanlike manner and in accordance with the highest professional standards, at its own cost and expense, furnish all of the labor, technical, administrative, professional and all other personnel, all supplies and materials, equipment, printing, transportation, facilities, and all other means whatsoever, except as herein otherwise expressly specified to be furnished by County, necessary or proper to perform and complete the work and provide the services required of Contractor by this Agreement.

1.2 Contractor’s Representative. The person identified on the signature page ("Contractor’s Representative") shall ensure that Contractor’s duties under this Agreement shall be performed on behalf of the Contractor by qualified personnel; Contractor represents and warrants that (1) Contractor has fulfilled all applicable requirements of the laws of the State of California to perform the services under this Agreement and (2) Contractor’s Representative has full authority to act for Contractor hereunder. Contractor and County recognize that the services to be provided by Contractor’s Representative pursuant to this Agreement are unique: accordingly, Contractor’s Representative shall not be changed during the Term of the Agreement without County’s written consent. County reserves the right to terminate this Agreement pursuant to Clause 7.1 “Termination for Default”, if Contractor’s Representative should leave Contractor’s employ, or if, in County’s judgment, the work hereunder is not being performed by Contractor’s Representative.

1.3 Contractor as Independent Contractor. Contractor is, for all purposes of this Agreement, an independent Contractor, and neither Contractor nor Contractor’s employees or subcontractors shall be deemed to be employees of the County. Contractor shall perform its obligations under this Agreement according to the Contractor’s own means and methods of work which shall be in the exclusive charge and under the control of the Contractor, and which shall not be subject to control or supervision by County except as to the results of the work. Retention by Contractor of any agent, employee or subcontractor shall be at Contractor’s sole cost and expense, and County shall have no obligation to pay Contractor’s agents, employees or subcontractors; to support any such person’s or entity’s claim against the Contractor; or to defend Contractor against any such claim.

Any subcontract, which is in excess of fifty thousand dollars ($50,000) or twenty five percent (25%) of the value of the contract, whichever is less, or a combination of subcontracts to the same individual or firm for the Agreement period, or any subcontract or consultant agreement for professional medical or mental health services, regardless of value, must have prior concurrence of the Contracting Officer’s Representative ("COR"). ARTICLE 2
SCOPE OF WORK

2.1 Statement of Work. Contractor shall perform the work described in the “Statement of Work” attached as Exhibit “A” to this Agreement, and by this reference incorporated herein, except for any work therein designated to be performed by County.

2.2 Right To Acquire Equipment and Services. Nothing in this Agreement shall prohibit the County from acquiring the same type or equivalent equipment and/or service from other sources, when deemed by the County to be in its best interest.

2.3 Responsibility For Equipment. For cost reimbursement Agreements, County shall not be responsible nor be held liable for any damage to persons or property consequent upon the use, misuse, or failure of any equipment used by Contractor or any of Contractor's employees, even though such equipment may be furnished, rented, or loaned to Contractor by County. The acceptance or use of any such equipment by Contractor or Contractor's employees shall be construed to mean that Contractor accepts full responsibility for and agrees to exonerate, indemnify and hold harmless County from and against any and all claims for any damage whatsoever resulting from the use, misuse, or failure of such equipment, whether such damage be to the employee or property of Contractor, other Contractors, County, or other persons. Equipment includes, but is not limited to material, computer hardware and software, tools, or other things.

Contractor may not expend funds under this Agreement for the acquisition of non-expendable property having a unit cost of $5,000 or more and a normal life expectancy of more than one year without the prior written approval of Contracting Officer Representative. Contractor shall maintain an inventory of non-expendable equipment, including dates of purchase and disposition. Inventory records on non-expendable equipment shall be retained, and shall be made available to the County upon request, for at least three years following date of disposition. Non-expendable property that has value at the end of a contract (e.g. has not been depreciated so that its value is zero), and which the County may retain title under this paragraph, shall be disposed of at the end of the Agreement as follows: At County's option, it may: 1) have Contractor deliver to another County contractor or have another County contractor pick up the non-expendable property; 2) allow the contractor to retain the non-expendable property provided that the contractor submits to the County a written statement in the format directed by the County of how the non-expendable property will be used for the public good; or 3) direct the Contractor to return to the County the non-expendable property.

All Contractor work done as part of the Disentanglement shall be performed by Contractor and will be reimbursed by the County at no more than Contractor’s costs, up to the total amount of this Agreement. Contractor shall not receive any additional or different compensation for the work otherwise required by the Agreement. Contractor’s obligation to provide the Services shall not cease until the earlier of the following: (i) The Disentanglement is satisfactory to County, including the performance by Contractor of all asset-transfers and other obligations of Contractor provided in this Paragraph, has been completed to the County’s reasonable satisfaction or (ii) twelve (12) months after the Expiration Date of the Agreement.

Subject to Exhibit A Contractor’s obligation to perform Disentangled Services, and County’s obligation to pay for Disentangled Services, shall expire: (A) when funds appropriated for payment under this Agreement are exhausted, as provided in this Agreement, Article 7; (B) at the end of the initial or extended term set forth in this Agreement’s, Signature Page, Contract Term; or (C) on the Termination Date, pursuant to this Agreement, Article 7 (with the applicable date on which Contractor’s obligation to perform the Services expires being referred to herein as the “Expiration Date”). Contractor and County shall discuss in good faith a plan for determining the nature and extent of Contractor’s Disentanglement obligations and for the transfer of the Disentangled Services in process provided, however, that Contractor’s obligation under this Agreement to provide all Disentangled Services shall not be lessened in any respect.

3.3 Specific Obligations

3.3.2 Third-Party Authorizations
Without limiting the obligations of Contractor pursuant to any other clause in Exhibit A herein, Contractor shall, subject to the terms of any third-party contracts, procure at no charge to County any third-party authorizations necessary to grant County the use and benefit of any third-party contracts between Contractor and third-party contractors used to provide the Disentangled Services, pending their assignment to County. Similarly, at County’s direction, Contractor shall obtain all legally necessary client consents or authorizations legally necessary to transfer client data to County or any new service provider.

3.3.3 (RESERVED)

The Payment Schedule, and/or budget are in Exhibit C and the compensation is on the Signature page. County will pay Contractor the agreed upon price(s), pursuant to Exhibit C for the work specified in Exhibit A, Statement of Work. The County is precluded from making payments prior to receipt of services (advance payments). Contractor shall provide and maintain an accounting and financial support system to monitor and control costs to assure the Agreement's completion. Invoices are subject to the requirements below.

4.1 Fiscal for Fixed Pricing. (Rev. 7/31/08)

4.1.1 General Principles. Contractor shall comply with generally accepted accounting principles and good business practices, including all applicable cost principles published by the Federal Office of Management and Budget, which can be viewed at http://www.whitehouse.gov/omb/circulars. Contractor shall comply with all Federal, State and other funding source requirements. Contractor shall, at its own expense, furnish all cost items associated with this Agreement except as herein otherwise specified in the budget or elsewhere to be furnished by County.

4.1.2 Invoices. Payment for the services performed under this Agreement shall be in accordance with Exhibit C, unless other payment methodologies are agreed to by both Contractor and County. Contractor shall submit approved invoices monthly to the Contracting Officer’s Representative (“COR”) for work performed in the monthly period, accordingly. Contractor’s monthly invoices shall be completed and submitted in accordance with written COR instructions and shall include a statement certifying whether it is in compliance with Paragraph 8.15 of this Agreement.

4.1.3 Payments. County agrees to pay Contractor in arrears only after receipt and approval by COR of properly submitted, detailed and itemized original invoice referencing the Agreement number pursuant to Exhibit C. Payment shall be NET 30 days from receipt and approval of invoice unless otherwise stated.

4.1.4 Full Compensation. Pending any adjustments by the COR, each invoice approved and paid shall constitute full and complete compensation to the Contractor for all work completed during the billing period pursuant to Exhibit A and Exhibit C. Contractor shall be entitled only to compensation, benefits, reimbursements or ancillary services specified in this Agreement. Payment shall be NET 30 days from receipt and approval of invoice unless otherwise stated.

4.1.5 Prompt Payment for Vendors and Subcontractors
4.1.5.1 Prompt payment for vendors and subcontractors.

4.1.5.1.1. Unless otherwise set forth in this paragraph, Contractor shall promptly pay its vendors and subcontractor(s) for satisfactory performance under its subcontract(s) to this Agreement. Such prompt payment shall be no later than thirty (30) days after Contractor receives payment for such services from County and shall be paid out of such amounts as are paid to Contractor under this Agreement.

4.1.5.1.2 Contractor shall include a payment clause conforming to the standards set forth in Paragraph 4.1.5.2.3 of this Agreement in each of its subcontracts, and shall require each of its subcontractors to include such a clause in their subcontracts with each lower-tier subcontractor or supplier.

4.1.5.2 If Contractor, after submitting a claim for payment to County but before making a payment to a vendor or subcontractor for the goods or performance covered by the claim, discovers that all or a portion of the payment otherwise due such vendor or subcontractor is subject to withholding from the vendor or subcontractor in accordance with the vendor or subcontract agreement, then the Contractor shall:

4.1.5.2.1 Furnish to the vendor or subcontractor and the COR within three (3) business days of withholding funds from its vendor or subcontractor a notice stating the amount to be withheld, the specific causes for the withholding under the terms of the subcontract or vendor agreement; and the remedial actions to be taken by the vendor or subcontractor in order to receive payment of the amounts withheld.

4.1.5.2.2 Contractor shall reduce the subcontractor’s progress payment by an amount not to exceed the amount specified in the notice of withholding furnished under paragraph 4.1.5.2.1 of this Agreement and Contractor may not claim from the County this amount until its subcontractor has cured the cause of Contractor withholding funds;

4.1.5.2.3 Upon the vendor’s or subcontractor’s cure of the cause of withholding funds, Contractor shall pay the vendor or subcontractor as soon as practicable, and in no circumstances later than ten (10) days after the Contractor claims and receives such funds from County.

4.1.5.3 Contractor shall not claim from County all of or that portion of a payment otherwise due to a vendor or subcontractor that Contractor is withholding from the vendor or subcontractor in accordance with the subcontract agreement where Contractor withholds the money before submitting a claim to County. Contractor shall provide its vendor or subcontractor and the COR with the notice set forth in Paragraph 4.1.5.2.1 of this Agreement and shall follow Paragraph 4.1.5.2.3 of this Agreement when vendor or subcontractor cures the cause of Contractor withholding its vendors or subcontractor’s funds.

4.1.5.4 Overpayments. If Contractor becomes aware of a duplicate contract financing or invoice payment or that County has otherwise overpaid on a contract financing or invoice payment, Contractor shall immediately notify the COR and request instructions for disposition of the overpayment.

4.1.6 Conditions Prerequisite To Payments. County may elect not to make a particular payment if any of the following exists:

4.1.6.1 Misrepresentation. Contractor, with or without knowledge, made any misrepresentation of substantial and material nature with respect to any information furnished to County.

4.1.6.2 Unauthorized Actions by Contractor. Contractor took any action pertaining to this Agreement, which required County approval, without having first received said County approval.

4.1.6.3 Default. Contractor was in default under any terms and conditions of this Agreement.

4.1.7 Withholding Of Payment. County may withhold payment until reports, data, audits or other information required for Agreement administration or to meet County or State reporting or auditing requirements are received and approved by COR or designee. The County may also withhold payment if, in the County's opinion, Contractor is in non-compliance with this Agreement.

4.1.8 Availability of Funding. The County’s obligation for payment of any Agreement beyond the current fiscal year is contingent upon the availability of funding from which payment can be made. No legal liability on the part of the County shall arise for payment beyond June 30 of the calendar year unless funds are designated by the County and are made available for such performance. County shall, in its sole discretion, have the right to terminate or suspend Agreement or reduce compensation and service levels proportionately upon thirty (30) days' written notice to Contractor in the event that Federal, State or

County funding for this Agreement ceases or is reduced prior to the ordinary expiration of the term of this Agree-
ment. In the event of reduction of funding for the Agreement, County and Contractor shall meet within ten (10)
days of written notice to renegotiate this Agreement based upon the modified level of funding. In this case if no
agreement is reached between County and Contractor within 10 days of the first meeting, either party shall have the
right to terminate this Agreement within ten (10) days written notice of termination.

In the event of termination of this Agreement in accordance with the terms of this Section, Contractor shall be
entitled to retain all sums paid as of the effective date of such termination, subject to any payment offset to which
County may be entitled, for damages or otherwise, under the terms of this Agreement. In the event of termination
of this Agreement pursuant to this Section, in no event shall Contractor be entitled to any loss of profits on the
portion of this Agreement so terminated, or to other compensation, benefits, reimbursements or ancillary services
other than as herein expressly provided.

4.1.9 Disallowance. In the event the Contractor receives payment for services under this Agreement which is later
disallowed by the County, Contractor shall promptly refund the disallowed amount to County on request, or at its
option, County may offset the amount disallowed from any payment due or to become due to Contractor under any
Agreement with the County.

4.1.10 Maximum Price. During the performance period of this Agreement, the maximum price for the same or similar
items and/or services shall not exceed the lowest price at which Contractor then offers the items and/or services to
its most favored customer.

ARTICLE 5
AGREEMENT ADMINISTRATION

5.1 County's Agreement Administrator. The Director of Purchasing and Contracting is designated as the Contracting officer
("Contracting Officer") and is the only County official authorized to make any Changes to this Agreement. The County has
designated the individual identified on the signature page as the Contracting Officer's Representative ("COR")

5.1.1 County's COR will chair Contractor progress meetings and will coordinate County's Agreement administrative
functions. The COR is designated to receive and approve Contractor invoices for payment, audit and inspect
records, inspect Contractor services, and provide other technical guidance as required. The COR is not authorized to
change any terms and conditions of this Agreement. Only the Contracting Officer, by issuing a properly executed
amendment to this Agreement, may make changes to the scope of work or total price.

5.1.2 Notwithstanding any provision of this Agreement to the contrary, County's COR may make Administrative
Adjustments ("AA") to the Agreement, such as line item budget changes or adjustments to the service requirements,
which do not change the purpose or intent of the Statement of Work, the Terms and Conditions, the Agreement
period or the total Agreement price. Each AA shall be in writing and signed by COR and Contractor. All inquiries
about such AA will be referred directly to the COR.

5.2 Agreement Progress Meeting. The COR and other County personnel, as appropriate, will meet periodically with the
Contractor to review the Agreement performance. At these meetings the COR will apprise the Contractor of how the County
views the Contractor's performance and the Contractor will apprise the County of problems, if any, being experienced. The
Contractor shall also notify the Contracting Officer (in writing) of any work being performed, if any, that the Contractor
considers being over and above the requirements of the Agreement. Appropriate action shall be taken to resolve outstanding
issues. The minutes of these meetings will be reduced to writing and signed by the COR and the Contractor. Should the
Contractor not concur with the minutes, the Contractor shall set out in writing any area of disagreement. Appropriate action will
be taken to resolve any areas of disagreement.

ARTICLE 6
CHANGES

6.1 Contracting Officer. The Contracting Officer may at any time, by a written order, make changes ("Changes"), within the
general scope of this Agreement, in the definition of services to be performed, and the time (i.e.) hours of the day, days of the
week, etc. and place of performance thereof. If any such Change causes an increase or decrease in the cost of, or the time
required for, the performance of any part of the work under this Agreement, whether changed or not changed by such an order,
an equitable adjustment shall be made in the Agreement price or delivery schedule, or both, and the Agreement shall be
modified in writing accordingly. Such changes may require Board of Supervisors approval.
ARTICLE 7
SUSPENSION, DELAY AND TERMINATION

7.1 Termination For Default. Upon Contractor's breach of this Agreement, County shall have the right to terminate this Agreement, in whole or part. Prior to termination for default, County will send Contractor written notice specifying the cause. The notice will give Contractor ten (10) days from the date the notice is issued to cure the default or make progress satisfactory to County in curing the default, unless a different time is given in the notice. If County determines that the default contributes to the curtailment of an essential service or poses an immediate threat to life, health or property, County may terminate this Agreement immediately upon issuing oral or written notice to the Contractor without any prior notice or opportunity to cure. In the event of termination under this Article, all finished or unfinished documents, and other materials, prepared by Contractor under this Agreement shall become the sole and exclusive property of County.

In the event of such termination, the County may purchase or obtain the supplies or services elsewhere, and Contractor shall be liable for the difference between the prices set forth in the terminated order and the actual cost thereof to the County. The prevailing market price shall be considered the fair repurchase price. Notwithstanding the above, Contractor shall not be relieved of liability to County for damages sustained by County by virtue of any breach of this Agreement by Contractor, and County may withhold any reimbursement to Contractor for the purpose of off-setting until such time as the exact amount of damages due County from Contractor is determined.

If, after notice of termination of this Agreement under the provisions of this clause, it is determined for any reason that the Contractor was not in default under the provisions of this clause, the rights and obligations of the parties shall, if this Agreement contains a clause providing for termination for convenience of the County, be the same as if the notice of termination had been issued pursuant to such clause.

7.2 Damages For Delay. If Contractor refuses or fails to prosecute the work, or any separable part thereof, with such diligence as shall ensure its completion within the time specified in this Agreement, or any extension thereof, or fails to complete said work within such time, County will be entitled to the resulting damages caused by the delay. Damages will be the cost to County incurred as a result of continuing the current level and type of service over that cost that would be incurred had the Agreement segments been completed by the time frame stipulated and any other damages suffered by County.

7.3 County Exemption From Liability. In the event there is a reduction of funds made available by County to Contractor under this or subsequent Agreements, the County of San Diego and its Departments, officers and employees shall incur no liability to Contractor and shall be held harmless from any and all claims, demands, losses, damages, injuries, or liabilities arising directly or from such action.

7.4 Full Cost Recovery Of Investigation And Audit Costs. Contractor shall reimburse County of San Diego for all direct and indirect expenditures incurred in conducting an audit/investigation when Contractor is found in violation (material breach) of the terms of the Agreement. Reimbursement for such costs shall be withheld from any amounts due to Contractor pursuant to the payment terms of the Agreement, or from any other amounts due to Contractor from County.

7.5 Termination For Convenience. The County may, by written notice stating the extent and effective date terminate this Agreement for convenience in whole or in part, at any time. The County shall pay the Contractor as full compensation for work performed in accordance with the terms of this Contract until such termination:

7.5.1 The unit or pro rata price for any delivered and accepted portion of the work.
7.5.2 A reasonable amount, as costs of termination, not otherwise recoverable from other sources by the Contractor as approved by the County, with respect to the undelivered or unaccepted portion of the order, provided compensation hereunder shall in no event exceed the total price.
7.5.3 In no event shall the County be liable for any loss of profits on the resulting order or portion thereof so terminated.
7.5.4 County's termination of this Agreement for convenience shall not preclude County from taking any action in law or equity against Contractor for:
7.5.4.1 Improperly submitted claims, or
ARTICLE 7

8.3 Equal Opportunity. Contractor shall comply with the provisions of Title VII of the Civil Rights Act of 1964 in that it will not discriminate against any individual with respect to his or her compensation, terms, conditions, or privileges of employment nor shall Contractor discriminate in any way that would deprive or intend to deprive any individual of employment opportunities or otherwise adversely affect his or her status as an employee because of such individual's race, color, religion, sex, national origin, age, handicap, medical condition, sexual orientation or marital status.

8.4 Affirmative Action. Each Contractor of services and supplies employing fifteen (15) or more full-time permanent employees, shall comply with the Affirmative Action Program for Vendors as set forth in Article IIIk (commencing at Section 84) of the San Diego County Administrative Code, which program is incorporated herein by reference. Additionally, the Contractor shall provide dispatch, billing, and data support services, interface with fire department first responders, provide community education services, and participate in quality assurance activities and regional quality improvement processes.

2. **Background Information**

   The Zone 2 Rural Service Area includes the unincorporated areas of Alpine, Boulevard, Campo, Crest, Harbison Canyon, and rural areas of southeastern San Diego County. Effective October 1, 1994, the County upgraded the level of ambulance services provided to this area from Basic Life Support (BLS) to Advanced Life Support and contracted with Grossmont Hospital District to provide such services until September 30, 2001.

   The Otay Mesa Service Area includes the unincorporated areas of Otay Mesa, the George F. Bailey Detention Facility, Correctional Corporation of America, California Department of Corrections and Rehabilitation, California Forensics Medical Group, R.J. Donovan Correctional Facility, and future correctional facilities planned for the San Diego County Sheriff and Probation Departments. On June 1, 2001, the County began providing ALS services to this area, which until that time, had access only to BLS services from nearby first responder agencies.

   On October 1, 2001, the Otay Mesa Service Area was combined with the Zone 2 Rural Service Area for purposes of administering ALS services, and the County contracted with American Medical Response Ambulance Services, Inc. (AMR) to provide these services to the combined Service Area. AMR’s current contract is set to expire on June 30, 2014.

   The Zone 2 Rural and Otay Mesa Service Area is depicted in Attachment No. 1. Call and transport statistics for the most recent two fiscal years are shown in the table below.

County of San Diego Health and Human Services Agency contracts support the Live Well San Diego initiative. Live Well San Diego was developed by the County of San Diego as a comprehensive, innovative strategy on wellness. This long-term plan combines the efforts of partners inside and outside County government to help all residents be healthy, safe, and thriving. All HHSA contractors, to the extent feasible, are expected to advance this initiative, which is being implemented in a phased approach. The first phase, Building Better Health, was adopted by the Board of Supervisors in 2010, and focuses on improving the health of residents and supporting healthy choices. The second phase, Living Safely, seeks to ensure residents are protected from crime and abuse, neighborhoods are safe, and communities are resilient to disasters and emergencies. The third phase, Thriving, focuses on promoting a region in which residents can enjoy the highest quality of life.

Information about the initiative can be found on the County’s website and a website designated to the initiative:

9. **Review of Coverage**

County retains the right at any time to review the coverage, form and amount of insurance required herein and may require Contractor to obtain insurance reasonably sufficient in coverage, form and amount to provide adequate protection against the kind and extent of risk which exists at the time a change in insurance is required.

Contractor may, with the prior written consent of County’s Risk Manager, fulfill some or all of the insurance requirements contained in this Contract under a plan of self-insurance. 13. **Waiver of Subrogation**

Contractor and County release each other, and their respective authorized representatives, from any Claims (as defined in the Article entitled “Indemnity” of the Pro Forma Contract), but only to the extent that the proceeds received from any policy of insurance carried by County or Contractor, other than any self-insurance, covers any such Claim or damage. Included in any policy or policies of insurance provided by Contractor hereunder shall be a standard waiver of rights of Subrogation against County by the insurance company issuing said policy or policies.
