Subject: Amendment to Voya 457(b) Deferred Compensation Plan to Include Roth 457(b) Contribution Option

**Background**
The District has two Deferred Compensation Plans through CalPERS & Voya Financial and both plans are under the 457(b) Deferred Compensation Plan for Governmental Employers. Voya has an option to include a Roth 457(b) contribution plan that meets the requirements for a 457(b) Deferred Compensation Plan for governmental entities.

**Discussion**
The Roth option allows the employee to invest in after-tax wages instead of pre-tax wages into the plan. This allows them to take withdrawals tax-free at retirement. There are different rules for a Roth 457(b) plan and Voya has Investment Advisor Representatives that help navigate the process for our employees. District Staff do not advise any personnel regarding personal finances.

**Fiscal Impact**
None

**Recommendation**
Staff recommends that the Board adopt Resolution 20-14 to amend the Voya 457(b) Compensation Plan to include a Roth 457(b) contribution option.
