

Join Edgemoor in Growing a Garden!

You are invited to become part of the garden team, to plant and care for a garden at Edgemoor Skilled Nursing Facility.

We need your help to make this garden in your community a success.

Garden plots are available for community residents to grow their own fruits and vegetables. All levels of gardening experience are welcome.

For more information about the garden and how you can get involved please contact: Stacy Wells (Edgemoor Volunteer Garden Vice President) at (619) 987-8302
