Every City Councilmember will be placed in a position where they must choose between the public interest or their campaign donors. I won't accept developers' dollars. I want to serve you. Our neighborhoods deserve attention.

I'll place people first. Traffic solutions must come before new traffic generating subdivisions.

Campaign contributions from developers should not influence decisions. The public interest must prevail over the special interest when the two conflict. I refuse to sellout Santee's quality of life to out-of-town profiteers.

Actions back up my words. I walked Santee neighborhoods gathering signatures to qualify the General Plan Protection and Term Limits Initiatives. Santee residents deserve to be heard.

As a College Liaison, I have no conflicts of interest as some who seek office for personal gain. I graduated from UCSD emphasizing International Relations and I wish to apply my skills for Santee. Help me, help you!

Vote "Zack G for D3"!

As a graduate of West Hills High School who loves Santee, my roots are deep in our community.

I will fight for transparency in government, exemplary emergency services, strong local businesses, excellent schools and parks while addressing our neighborhood issues.

"Zack G for D3"!

People First!
