My name is Chuck Cross. I am a candidate to replace Betty Rexford on the Poway City Council. My slogan is, "An Old Friend, A New Voice". I have been working to make Poway a better place to live for twenty years. I am a volunteer for the Poway-Midland Railroad. Before that, I worked with the Poway Youth Sports Association to promote better facilities for youth sports. I have helped to author Needs Assessments that have created many of the City and school sports fields that serve our children today. I will work with the Poway Unified School District to maintain the high academic standards that our district has achieved. I will work with all our citizens to keep Poway the outstanding city that we are proud to call our home.

I will adhere to the ethical standards that are prescribed for our public officials. I will address disaster preparedness in our community so our citizens can protect themselves and their families. I will address our urgent need to conserve, reclaim and generate fresh water vital to our region's economic survival.

I am an old friend of Poway. I hope to be your new voice on the Council.

I made my home in Poway because of the city in the country atmosphere. The country has disappeared and we are no longer the "City In The Country". In 1984 and again in 1986 I felt the city was moving in the wrong direction. Now, 24 years later I still believe it is off course.

34 year Poway resident.

Retired United States Navy.

Business degree from Palomar College.

Retired income tax preparer.

Poway Redevelopment and Housing Advisory Committee from 1994 to 1998.

Served two years on the Poway Budget Review Committee.

Two years Poway Reserve Park Ranger.

Volunteer Senior Patrol with San Diego County Sheriff in Poway from 1996-2005.

Former member and volunteer Poway Senior Center.

The only Special Interest Group I will support are the residents of Poway. When elected I will represent all citizens of Poway; do what is best for Poway and steer her back on course. I will have an OPEN DOOR policy.

We need ordinary people with common sense on the council.

A vote for ROGER WILLOUGHBY will bring you that person.

Statement of Qualifications

CITY OF POWAY

MEMBER OF THE CITY COUNCIL TO SUCCEED BETTY REXFORD

PETE BABICH

64

Business Owner / Engineer

(Word count starts here)

Invested in Poway: My family has lived in Poway for 35 years. Our children benefited from great schools, safe neighborhoods, and outdoor activities. I coached soccer, baseball, and softball; youth sports administrator; a Poway Vaqueros founder. I'm a member of the Sheriff's Senior Volunteer Patrol.

Proven Leader: Masters degree in electrical engineering. Senior executive with Hewlett-Packard, 17 years. Entrepreneur and small business owner, 18 years. I will bring the same level of managerial expertise, dedication to excellence, and budgetary discipline that I practice daily.

Poway's Future: We are almost built out. We can't count on growth to fund our life style. Poway's General Plan has served us well for thirty years, but pressure to increase density, water shortages, fire threats, and a down economy threatens our way of life. I will act to preserve what is good about Poway and work to develop its vision for the next thirty years.

Commitment to Service: You can count on me to do my homework, listen, and make decisions that improve our general welfare. I will bring a fresh perspective and be an independent voice. I don't seek higher office. My focus is Poway.

I appreciate your vote.

I moved to Poway 20 yrs ago because it was a great place to live and raise a family. However, to continue that greatness Poway needs leaders who understand that "City in the Country" is more than a motto. It's a way of life.

Over the years I have been active in community affairs including being a regular at City Council meetings, volunteering in youth sports, school, and various charity events. My volunteering has kept me engaged with the voters, my children and the issues facing Poway. Now that my children are grown and I'm retired I have more time to serve my community.

I am a fiscal conservative with thirty years of experience managing the financial side of multi-million dollar projects for defense contractors, TRW and SAIC. I will use my finance background to insure that our taxpayer dollars are spent wisely.

Please note I view this as a way to serve my community. In my opinion, car allowances, free medical insurance and pensions are not appropriate for a part-time Council position. Therefore I will not accept these entitlements. Thank you for your consideration.

CITY OF POWAY
MEMBER OF THE POWAY CITY COUNCIL TO SUCCEED BETTY REXFORD
HOWARD COLLINS

--

Businessman

These have not been ordinary times for the Poway City Council. We deserve a City Council fully focused on the priorities of all Poway residents. Now more than ever we must choose our City Council members wisely.

During the past fifteen years I have served in many leadership roles that benefited our city, i.e. community safety and wellness issues, business recruitment/retention programs and development of the Poway Boys and Girls Club. This work along with a variety of other volunteer partnerships shows proof of my ability to serve you as an effective member of the Poway City Council.

My Priorities are...City budget stability and thoughtful cost reductions...Police, fire and emergency first responder services...Protecting and preserving our quality of life...Growing our local economy and supporting Poway businesses...Maintain City infrastructure...Support water conservation.

Vote for candidate that will focus on these issues. I am EXPERIENCED, EFFECTIVE and EXEMPLARY. I know what to do, how to do it, and I will care enough to get it done.

Candidate's Statement

STEVE VAUS

Recall Chairman, Business Owner, Recording Artist

(Word count starts below)

I launched the Recall Rexford campaign with one goal - to **give the people a voice** in holding an elected official accountable. Now, having spent months talking to voters while qualifying the Recall for the ballot, it's clear to me Poway residents **want their voices to be heard** on other vital issues such as:

Adding teeth to Poway's Code of Ethics to ensure city officials are held to the highest standards - Making water rates fair for all - Preventing California from picking Poway's pockets - Promoting business so we can maintain Poway's quality of life - Supporting youth sports and activities - Keeping our kids safe from drugs, alcohol and predators.

I am committed to championing these causes.

Granted, everyone promises strong leadership, but **I'm the ONLY candidate who had the courage to lead the fight against corruption at City Hall.** My ability to lead and succeed is proven.

My only allegiance is to the people of Poway. I look forward to working for you and with you. **Vote STEVE VAUS for City Council - www.VoteVaus.com**

Personal: 17-year Poway resident, married, children in Poway schools, coached youth sports, school volunteer, raised over \$500,000 for children's charities, former Board member of Crimestoppers, Grammy winner.

The city of Poway is one of the finest places to live, to work and to enjoy life. We have experienced recent incidents and events that have cost the city financially and have embarrassed this great community. I will bring sound judgment and leadership to this office and use these principles to move the community forward, in a responsible fashion.

In my 20 years of teaching in higher education and the management positions I have held in the private sector, my greatest accomplishment in both venues has been providing and inspiring leadership. The qualifications I will bring to this office include reasoned communication skills and a true understanding and practice of critical thinking for decision making and problem solving.

I believe the residents of Poway deserve new leadership. I believe that running for city council is one of the best ways that I can contribute to the city of Poway and its residents.

I will ensure the city of Poway continues to operate within its own means and balances its budgets. I will advocate process management and continuous improvement practices to improve the delivery of city services and to cut operating costs.
