Dear Mr. & Mrs. Moore:

Congratulations! Your son, Damien, has made the B Honor Roll for the first semester of the 1999-2000 school year. Please find enclosed a bumper sticker, which I hope you will display with pride.

In a school, which is as academically demanding as ours, it takes a lot of hard work and time to earn a place on the Honor Roll. Although your son has done all the work to achieve this status, he could not have done it without encouragement and support from you and his teachers. I would like to take this opportunity to thank you and encourage you to continue to support Damien's efforts.

Students who have made the A Honor Roll are entitled to the following privileges: 1) free admission to all school events held at the school except for the Homecoming Dance and Turnabout, 2) free treats in the cafeteria on selected days, 3) hall passes not required, 4) 10% discount at the School Store on selected items, and 5) students who have been on the A Honor Roll for four semesters will receive special academic patches. They will receive gold stars to place on the patches for each additional semester that they appear on the A Honor Roll.

Students will get out of their education what they put into it. I sincerely hope that Damien will continue to challenge himself to reach his fullest potential. We have all been given certain gifts. It is our responsibility to do the best that we can to develop those gifts. You and your son are to be commended for your efforts and dedication to getting the most out of his high school education. I wish you and Damien continued success.

Respectfully,

Dennis Garber
Principal
