About us

A&D GC Inc. is a San Diego based premier General Contractor. We offer a wide range of services including construction management and design/build to both private and public clients. Our extensive array of projects makes us a versatile choice for all contracting needs.

Its current President and CEO, Andrew R. Otero founded A&D GC INC. in 1988. Since its inception, Mr. Otero has worked hard to instill the philosophy: "to work for the best, we must be the best" into every employee of the company. His mission for the company has been to always be "the best of the best". The result of this philosophy is that A&D GC Inc. has experienced over two decades of steady growth, partnerships with many of the largest and most prestigious clients in both the public and private sector, and a well respected reputation. A&D GC, Inc. has worked in 27 states, Guam, and US Embassies in West Africa. Their impeccable reputation has rewarded them with a 95% repeat customer rate.

The Safety Program at A&D GC, Inc., is not only a top priority but it has become a sense of pride for the entire organization. The adoption of this safety culture has resulted in zero incidences on all jobs. They only employ personnel and hire subcontractors who are 100% committed to their Safety Program and become part of that culture. They believe that with their program, along with full commitment they will continue their zero incidence rate on every job - every year!

A&D GC Inc. is committed to integrity and honesty in keeping with their reputation and ongoing mission to be "the best of the best".
