

San Miguel Fire & Rescue Finance Committee Report

| Date: | June 10, 2020 |
|----------|---------------------------------------|
| То: | Board of Directors |
| From: | Finance Committee |
| Subject: | 2020/2021 Proposed Preliminary Budget |

Background

The District, by law, is required to adopt a preliminary budget by June 30, 2020. Approving the preliminary budget does not authorize implementation of new programs or positions; it simply allows the District to continue operating into the new fiscal year. The 2020/2021 Preliminary Budget is presented for your review and approval.

Once we receive the following items, the final budget will be developed for Board review and approval by September 20, 2020.

- 1) Close out 2019/2020 Fiscal Year
- 2) Property Tax Estimates for 2020/2021

Discussion

The Finance Committee reviewed in depth the draft preliminary budget the past few months and requested justifications on several line items. There was a final review of the Proposed Preliminary Budget at the June 1, 2020 Finance Committee. The attached document has taken all the Finance Committees recommendations into consideration.

Given the unanticipated COVID-19 pandemic costs to the District (anticipated to be less than \$172,000), the recommendation of the Finance Committee is that priority 4 and 5 items be frozen in an amount equal to the amount spent on COVID-19. The reason for this is it may take some time for the 75% Federal COVID-19 reimbursement to be received and the Committee wants to ensure the funds authorized from the General Fund for COVID-19 are replaced. Should the FEMA reimbursement come in sooner rather than later, the Chief can exercise his discretion to apply funds as necessary on the 4 and 5 items that were frozen.

Fiscal Impact

None; allows the District to continue paying necessary expenses into the new Fiscal Year.

Recommendation

Adopt the proposed preliminary budget for the 2020/2021 Fiscal Year.
