Big Notes

- San Diego State has become the first Division I team to win five consecutive conference games by at least 25 points since Stanford did it in the 1999-00 season (the Cardinal finished 27-4 overall, 15-3 in the Pac-10 (conference champs) and finished third in the final AP Poll).
- San Diego State is the first Division I team this century to win five consecutive games by at least 25 points and score 85 or more points in each of those games (the 2001-02 Kansas and 1998-99 Duke teams each did it four straight games).
- San Diego State extends the following win streaks:
 - 5-game overall win streak (longest active win streak in the Mountain West Conference, matches SDSU's season-long win streak)
 - 6-game homecourt win streak (the Aztecs are 24-3 in their last 27 home games)
 - 9-game homecourt win streak against San José State (last Spartans win at SDSU came on Feb. 27, 1997, one month later head coach Steve Fisher and his assistant Brian Dutcher led Michigan to the postseason NIT title)
 - 6-game overall win streak against San José State (Brian Dutcher is 6-0 against the Spartans)
 - 12-game winning streak against teams from the state of California
- This is the fifth win streak of at least five games in the Brian Dutcher era (this is Coach Dutcher's fourth year as head coach). This is tied for the third-longest win streak of his tenure. The Aztecs won nine straight games (last six of the regular season and three games in the conference tournament) during his first season in 2017-18 and won the first 26 games of the 2019-20 campaign.
