

Cuyamaca College Ornamental Horticulture Complex & Building M Renovation

- **DESCRIPTION:** The project included the renovation of existing spaces and the installation of upgraded classroom and lab spaces, as well as new greenhouses, outdoor instructional spaces, a storage building, and a sales building. The project was funded by Proposition V, a \$398 million facilities bond measure passed by East County voters in 2012, and a key funding source for the modernization of Grossmont and Cuyamaca Colleges
