

## **Candidate Statement La Mesa City Council**

**JIM STIERINGER**

**Retired Treasurer, City of La Mesa**

**My experience as La Mesa's elected City Treasurer has prepared me for service from Day One.**

A lifetime of community involvement includes membership on the Grossmont Hospital Board of Directors and the governing board of the Grossmont High School District.

**Public health has become a political issue. No reasonable person should forego the therapeutic benefit of the COVID vaccine. I thank our many thoughtful residents who patiently waited in line at Sharp Grossmont Hospital and other sites for their inoculations. Public health and safety must be our primary concern.**

**Join me in full funding our police and fire departments. Join me in imposing reasonable limits on bike lanes. Join me in opposing plans to construct low quality low-cost housing in our neighborhoods. Recent high rise housing projects encroach on our public streets and are creating a fortress-like image to our downtown area, an example of which is the corner of Baltimore Drive and El Cajon Boulevard.**

**Remember. Your vote will make a difference. As your councilman I will always act responsibly and in your best interest.**

**Jim Stieringer**

**July 30,2021**

**CONFIDENTIAL**

**NOT TO BE RELEASED OR SHARED PRIOR TO THE END OF THE FILING PERIOD ON AUGUST 6, 2021**
